What works with Virgin Pulse

Virgin Pulse's health and wellbeing program works with the best fitness tracking devices and mobile apps in the market. Take a look at the brands we've partnered with to help you be successful and have fun getting healthier!

Don't have a Max Buzz fitness tracker? No problem. See real-time activity tracked by your Fitbit, Garmin, Apple Watch, Misfit, or Polar fitness trackers — right in the Virgin Pulse app.

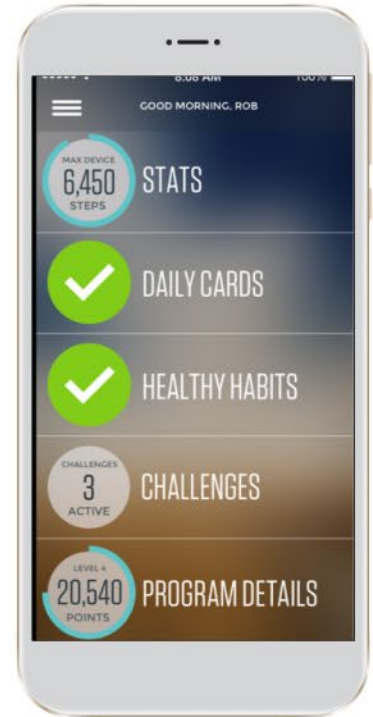

Don't have the Virgin Pulse app?

Download it today from the App Store or on Google Play.

Virgin Pulse's app — your home base

If you haven't downloaded our mobile app, what are you waiting for? The app is one of the best ways to get involved in your company's wellbeing program. Go to the App Store or Google Play to download the app and access the same, great website features while on the go. Whether you're at home, in the office, or at the gym, you'll easily find everything you need to get healthier, compete with coworkers, and challenge yourself.

Other compatible health apps

Do even more by connecting the health and wellbeing mobile apps you already know and love.

Higi

Visit a Higi health station to know your numbers and keep track of them in Virgin Pulse's program.

MyFitnessPal

MyFitnessPal is a free app and website that lets you track the foods you eat.

Sleep Time by Azumio

Sleep Time provides insight into your sleep patterns. By tracking your level of movement throughout the night, Sleep Time generates customized sleep data in easy-to-read charts.

Strava

Strava uses GPS to track activities like cycling and running. Easily connect your Strava account to Virgin Pulse, and see your activity in the Get a Workout tracker and on your Stats page.

Whil

Breathe in, breathe out. Mindfulness is a big part of your total health and wellbeing. Connect Whil's app to watch meditation videos, yoga tutorials, and more!
